Together we support each other.

As seen on TV, Animal Planet features

Like you, we are a local business committed to provide the
highest quality products for our customers.

- Voted #1 in Animal Print Magazine.
- A Premium line that is well established in the Northeast.
- We hand-pack all our products.
- We feed our own hay and grain to our animals.
- We harvest our hay, and carefully select from the best local farms.
- Pellets are run in small batches to keep a constant source
of fresh products.
